FORMAT: 4 PLAYER SCRAMBLE

*PLAY GOVERNED BY USGA RULES OF GOLF AND
MOORPARK COUNTRY CLUB LOCAL RULES*

TEES: Ladies - RED (all courses)
Mens - WHITE (all courses)

HOW TO PLAY A SCRAMBLE:

In a scramble format, each team member hits his or her own ball from the tee. After all tee shots are played, the team selects the preferred shot location and all players proceed to that spot to hit their next shot.

Each player's ball must be placed within one club length of the selected location and no closer to the hole. Players may not improve the lie of the ball by moving it from the rough to the fairway or out of a sand trap.

The team continues this process until the ball is holed. Only one score per hole, per team should be recorded on the scorecard. Individual player scores are not recorded.

ONE DRIVE PER PLAYER

Please indicate each team member's name on the scorecard and return all totaled and signed scorecards to the pro shop upon completion of your round.

TOUCHDOWN PACKAGE PARTICIPANTS

Each golfer who purchased the **Touchdown Golfer Experience**, will receive **(1) mulligan** and may participate in **all the A-Town on-course contests**. Each golfer will also receive **(1) free drink** from the Beverage Cart located on Ridgeline #7. For those not participating in the Touchdown Golfer Experience, you may still "Beat the Quarterback" on Ridgeline 9 and enter the putting contest. *Mulligans cannot be used on A-Town contest holes.

PLEASE keep up with the foursome preceding you and do your best to play quickly.

***When using a gimme stick, teams need not to putt out if the ball is within the stick, but you must count the stroke.**
